BEST BABY FOOD/DRINK

GOODIES RANGE,
99p, ORGANIX

'This range is a life-saver. I always have a selection of snacks in my handbag for emergencies.'

'Great for lunchboxes and there is no guilt because you know they only contain the good stuff.'

'Really good value for money.'

'Healthy, tasty treats for children (and their mums!).'

BEST MONITOR

BABY MONITOR 150, £69.99, BT

'An easy-to-use sound and room temperature monitor, which is portable and has little interference.'

'We are impressed with the sound quality. And with MP3 and CD options we can play our baby's favourite music.'

'This has more features than the Apollo rocket and does not compromise on quality.'

'My baby settles when listening to the lullabies, which I can activate remotely.'
